# **IN TENEBRIS LUX**

**presented by

nineteen hundred and fifty-six**

**St. Luke's Hospital School of Nursing  
Cleveland, Ohio**

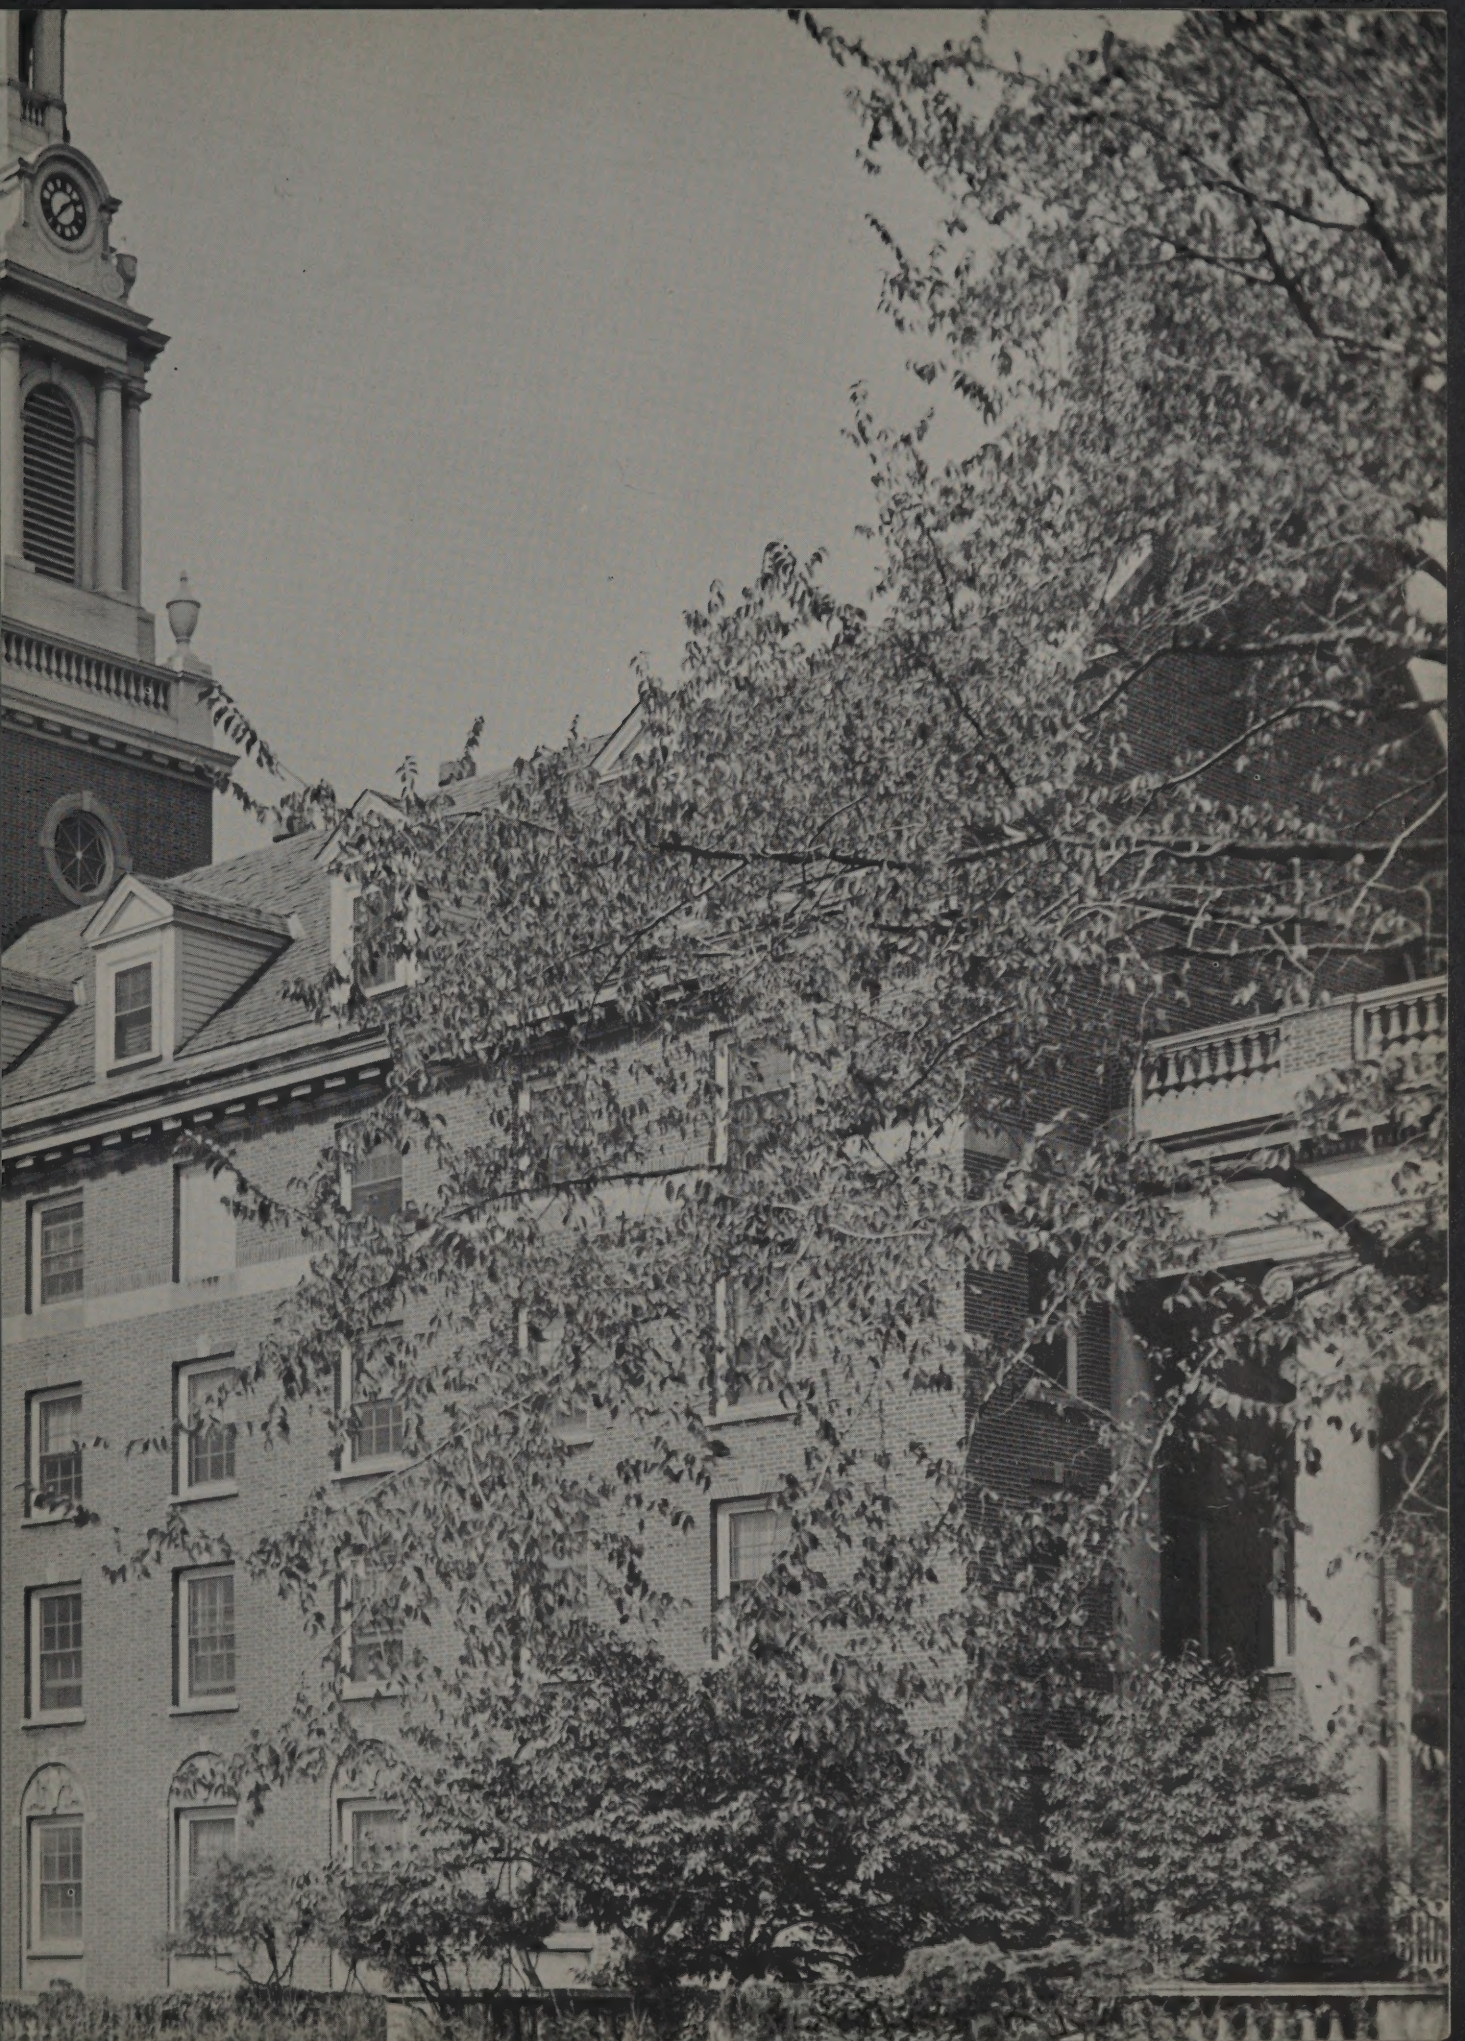

# *Dedication*

For your welcome guidance when needed,  
for your co-operation and helpfulness, your  
courtesy, your graciousness toward every-  
one, for your friendly smile and manner, we,  
the class of 1956, fondly dedicate this 1956  
In Tenebris Lux to you, Miss Marie Gaertner.

## *A Dream Come True*

WE are very fortunate that we are able to have the satisfaction of realizing "a dream come true"—a dream of competently carrying out our duties in a starched white uniform and cap, of co-operating with other professional persons in allied fields to give the best care to the patient, and of gaining a much better understanding of other people and ourselves. Yet our dream was not all silver-lined, for there were times when our patience wore thin, studies took all of our spare moments and we had to work the evening of that important college formal. Still we know these past three years will long be remembered—for through the wonderful friendships, education and work our dream *has* come true.

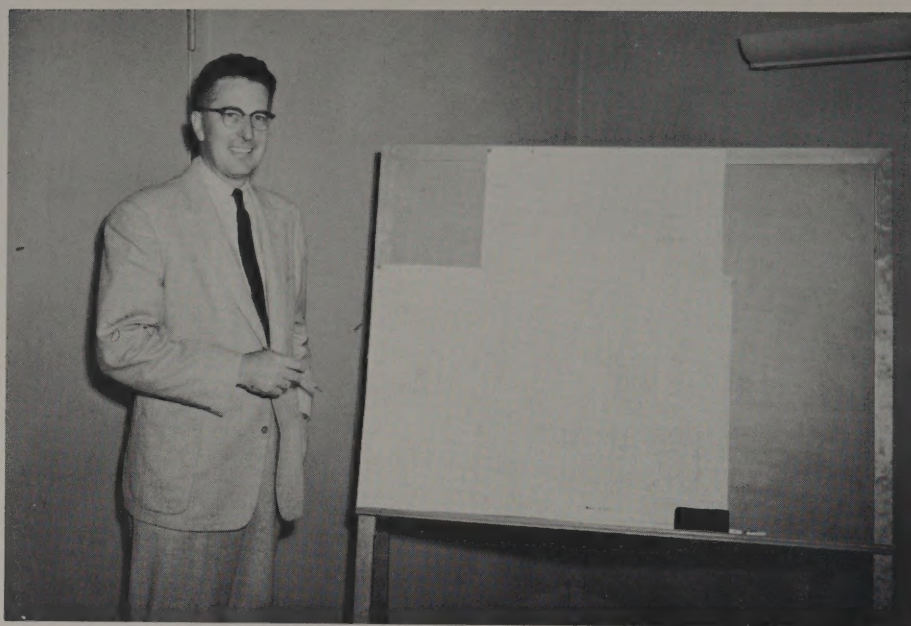

NVRSES RESIDENCE

So let us dream. . . .

## Residence Staff

Our Residence Director, Miss Davis, having served our students since 1948, has seen many of us come and go. She has shared in our joys and sorrows. To her we owe many of the thoughtful deeds and happy residence life during our three years.

A newcomer to the residence family is Miss Rainey serving as Recreational Director. Many qualms on our Christmas gift list were answered by the craft program she initiated. Interest in the program grew to such lengths that it was offered to the hospital personnel also.

Miss Kathleen Davis

Mrs. Leota Crowther

Our receptionists act as "second mothers", being on duty all hours of the day and night. Mrs. Crowther and Mrs. Cooper, our regular day and evening receptionists, have been with us for over five years. Mrs. Croft is the regular night receptionist while the alternates include Mrs. Sharp, Mrs. Campbell, Mrs. Middleton, and Mrs. Nicholls.

Miss Sarita Rainey

Mrs. Jessie Cooper

Worship services for the patients are offered each Sunday morning and on religious holidays by Hospital Chaplain Warren Bentzinger. Kiwanians act as "pushers" to bring patients to the Austin Memorial Chapel while others that desire may hear the broadcast through the bedside radios. The lovely strains of organ music are rendered from the electric organ, a gift of the Senior Women's Board.

**Chaplain Warren Bentzinger**

The library is found to be a key spot in the nurse's education. Such a wealth of knowledge is found in the text and reference books while a "browser" can find much of interest in the popular magazines and novels. The library is under the supervision of Miss Rocena Stockwell.

**Miss Rocena Stockwell, Librarian**

Say Ahh — Our health clinic finds itself especially busy when those viruses hit the residence. Many a path is trod to this spot as we get "reconditioned" to go back to classes and floor duty.

**Miss Gertrude Fleck, Dr. Endicott, and D. Marshall.**

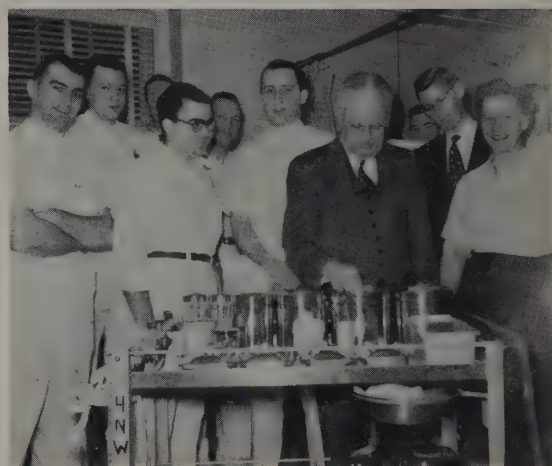

## Medical Staff

Saint Luke's Hospital boasts a medical staff of about 170 active Vis-  
itants and 69 Interns and Residents,

to provide capable team work to  
give the patients the best of care.

So that our dream may come true we need guidance. Our student government gives us the basis for harmonious group living.

## Student Government

Throughout the entire year, the Student Co-operative Organization of St. Luke's Hospital School of Nursing is always busy with many different functions and duties. Not only are all activities of the school overseen by this organization, but we are also a part of the Student Nurse Organization of Greater Cleveland and Elyria, which in turn belongs to both the state and national associations.

Left to right: A. Lasch, C. Krung, M. Neilson, chairman, B. Lasko.

## Social Committee

Gaiety reigns on the weekends as Miss Student Nurse replaces her stiff, white uniform and cap for a frilly party dress. (Missing: G. Kennedy, chairman)

## 1955 Spring Formal

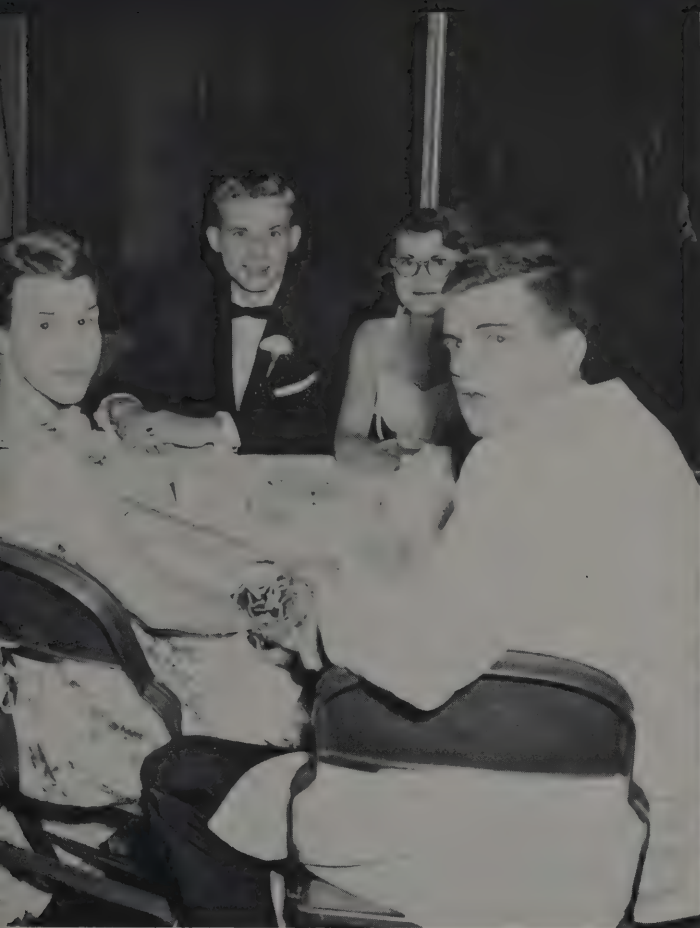

*Class of '56A pose for camera at their last St. Luke's formal.*

The St. Luke's Spring Formal of 1955 was enjoyed by more than one-hundred couples on June 3rd. The Cleveland Skating Club put on its finest airs for us and with the music of Harry Hershey—fun was had by all. The theme was "Beyond the Stars"—and with stars in the sky and in everyone's eyes what could be nicer?

## Miss Student Nurse Of St. Luke's

After hearing four most thought-provoking speeches on "Nursing in My Life", the students were asked to vote for their choice of Miss Saint Luke's of 1956. This proved to be a difficult choice. After a tie and a revote, the winner was announced and Helen Pease became Miss Student Nurse of Saint Luke's for 1956.

SEATED: Alyce Talcott, Laura Williamson.  
STANDING: Helen Pease, Gayle Kennedy.

Congratulations are in order from Vice President Nancy Osborn.

Up in the air with the victor—Helen Pease.

Many hours of studying, experience and practice constitute the life of the underclassman.

## *Capping*

## *Nightingale Pledge*

I solemnly pledge myself before God and in the presence of this assembly to pass my life in purity and to practice my profession faithfully. I will abstain from whatever is deleterious and mischievous, and will not take or knowingly administer any harmful drug. I will do all in my power to maintain and elevate the standard of my profession, and will hold in confidence all personal matters committed to my keeping and all family affairs coming to my knowledge in the practice of my profession. With loyalty will I endeavor to aid the physician in his work and devote myself to the welfare of those committed to my care.

The coveted cap is placed upon the preclinical student's head signifying the end of many months of study at Western Reserve and the beginning of clinical study.

The newly capped class of 1957 presented Mrs. Marion Hall a bouquet of roses as a remembrance of her last capping service before her retirement in June 1955.

## Class of 1957

57's come another mile  
On the road to education;  
Probie days behind us—  
Now in clinical rotation.

The responsibilities are large,  
The holidays are few,  
Our social life is active  
With parties, pinnings too!

One thing is for sure,  
We have a goal in mind;  
Nursing is for us—  
Service to mankind.

We hope so—it gets hard to live on

### To Be A Nurse

To be a nurse is to walk with God  
Along the path that our Master trod.  
To soothe the achings of human pain,  
To faithfully serve for little gain,  
To lovingly do the kindly deed.  
A cup of water to one in need,  
A tender hand on a fevered brow,  
A word of cheer in the living now.  
To reach the soul through its body's woe.  
Ah, this is the way that God would go.  
Oh, white capped girls in service true,  
Our Great Physician's working with you.

Off with the patches and on with the pins!

Friends of A. Lasch, M. Baxter, M. Betzmer, and J. Lukes join them in singing "Auld Lang Syne" and "Blest Be The Tie That Binds" as they become graduate nurses.

## *Dreaming Together*

### Love

Love puts the dove upon the nest,  
And linens in the cedar chest,  
A pair of wings upon a dollar,  
And lipstick on the lover's collar.

Love puts the twinkle in a star,  
The starlet in a Jaguar,  
And fervor in the cat's meow.  
Love puts the wrinkle on the brow,  
The young man's foot in Argyle sock,  
The parents of the bride in hock.

Love puts the joker in the pack,  
The obstetrician in the black,  
At ends of letters O's and X's,  
And in hot water both daft sexes!
